

Hi,

Greetings to all TISS Alumni!

My name is Suresh and I am passed out PM&IR batch of 1982. I now practice in the Madras High Court, am involved with human rights work and also in governance reform and OD change in large government departments.

There is a proposal to have a meeting of TISS alumni on 13th May, Sunday, at about 5.30 p.m. in Chennai. Tentative venue is Woodlands Drive-In hotel opposite US Embassy and at Gemini Flyover.

I am not familiar with where most of you are. If you are in Chennai, and also available on 13th it will be great. If someone has a place where we can all meet, instead of a public place, that too should be fine!!

Pradip Prabhu, batch of 1972 will be in Chennai and will be attending. Rama Kashya of UNDP and others have also confirmed participation.

Looking forward to your response

Regards,

Suresh
