**Unleashing Full Potential for Social Transformation
Ethical Leadership Generating Results**

August 23-25, September 27-29, and October 29-31, 2018.

Dear Colleague:

Greetings from TISS!

We are delighted to invite you to **a unique three part workshop series** on leadership at **Mumbai** on the dates mentioned above. To build a world based on the values of equality and justice, we need new leadership capacities; to think differently, design strategically and act on principles with accountability and generate results. These new capacities must be able to completely align principles, purpose and practice to build a better world.

This series of workshop will provide you with tools to expand your reach and impact to lead your work and projects to make a difference in the world. It offers the opportunity for established or budding leaders from the media, government, civil society, public and private sector to explore issues that can transform work, organisations and initiatives to focusing on social and environmental well-being for results with systemic change.

We are extremely fortunate to have Dr. Monica Sharma, Tata Chair Visiting Professor, Tata Institute of Social Sciences (TISS), a world-class facilitator and former Director, Leadership and Capacity Development, United Nations, to conduct this workshop. Her capacity to foster leadership and design large scale projects to source commitment and deliver tangible results is globally recognised. Her book "**Radical Transformational Leadership: Strategic Action for Change Agents**", has won the *Nautilus Book Awards - Gold Winner in the Business and Leadership category*. Past winners include Andrew Harvey, Deepak Chopra, Desmond Tutu, Eckhart Tolle, The Dalai Lama and Thich Nhat Hanh.

A **background note** with further details - the purpose and objectives of the workshop, and a **profile of Dr. Monica Sharma** are enclosed.

All sessions are interactive, engaging participants actively. The workshops will not provide prescriptive solutions – rather, it will challenge each of us to delve deep into our being; and generate new breakthrough ideas, sourcing our abilities to envision a new future, commit ourselves to action and acquire the skills to attain this future.

All participants must commit to participating in all 9 days of the three part series (i.e. no session can be skipped; each session, day and workshop are interlinked and are building blocks for the next).

Provisional Workshop Fee for 3 sessions- 9 days (inclusive of GST)

- Rs. 33,000 per Individual. Rs. 30,000 if there are more than 4 participants from an NGO (grassroots & implementing organizations and not NGOs that are funders/donors)
- Rs. 28,000 for repeaters of 3 part series
- Rs. 60,000 for corporate and funding organizations- Rs 54,000 if there are 4 or more participants from the same organization Rs. 48,000 if there are 8 or more participants from the same organization.

We are yet to hear on our requests for funding support for scholarships and travel grants.

The workshop details is also available at <http://www.tiss.edu/events/>
