

SUBMIT A CASE STUDY

This year as we enter the 10th year during our Annual Roundtable, we welcome alumni to prepare case studies which will be put up during the event as a poster exhibition.

Once we receive the case study, it will be vetted for its academic rigour by a Committee and you will be asked to prepare a poster on it. You will be asked to send us the poster content as a ppt and **JTSDS will frame and mount it.**

Dates and deadlines:

The written case study (length not to exceed 10,000 words- could be shorter) not later than 25st March, 2016. See case study guidelines on page two below

Besides creating posters, we hope to bring out an anniversary publication compiling these case-studies- around appropriate themes.

Please send case study to: casestudyjtsds2016@gmail.com

All inquires to andharia@tiss.edu
