

Employment Notice

Recruitment of Six Research Officers

The Tata Institute of Social Sciences, Mumbai, in association with Tribal Development Department of the Government of Maharashtra and UNICEF, is undertaking a field study in the tribal areas of Maharashtra. For the field data collection we propose to appoint **6 Research Officers** (ROs) for a period of **3 months**. The job requires about 2 months of field data collection in different parts of Maharashtra. If the services are satisfied we may extend their services for a few more months.

The candidates should have a Master's degree in any social science subject and have some experience in field data collection including conducting focus group discussions (FGDs) and in-depth interviews and report writing. Working knowledge of Marathi is essential. Salary will be in the range Rs. 35-40 thousand per month depending on qualification and experience. For field visit, ROs will be provided with transport and they will also get allowances for accommodation and living expenses.

Interested candidates may send in their CV to **Nupur Kulkarni** at nupurshrinivas@gmail.com on or before 24 July 2016.
